

In September, First Baptist Church will begin a new Sunday School! Volunteers who feel called and excited to be a part of this new mission initiative will begin to worship at 9:30 and then have Sunday School at 11 AM (or 10:45 still to be decided). Venture will use contemporary praise and worship music and then will divide into small classes by age/affinity (same as Core Sunday School). Venture is open to youth, college, children, singles, married adults of all ages.

We believe that the Lord will bless this high touch/high trust approach of reaching people through Sunday School. We believe that both Venture and Core Sunday School and International Sunday School will contribute to the growth of His kingdom and this fellowship. We believe we will reach hundreds of people for Bible study and the joy of following Christ. Will you help?
