How Can I Help?

On Sundays, PLEASE respect this sign located on Parking Lot B (where the covered entrance drop-off is located). The Building, Property and Transportation Committee has been asked by Church Leadership to provide this Special Needs Parking for "drivers" that need to park near the entrance. It requires a handicap license or hanger to park there. If a person does not have one of these, they can obtain a special permit issued by the church office. This request is for **both** AM services/Sunday School as well as **all** PM activities. Thank you.
