## Worship Study Committee Recommendation Approved!

"You will indeed go out with joy and be peacefully guided." (Isaiah 55:12, HCSB)

God has indeed "peacefully guided" our committee and our church. The approval of the committee's recommendation signals our church's continued commitment to follow our Lord Jesus Christ and lead all others to a joyful life with Him. Here are some of the reasons for "joy" as we go out together...

Our Logos Worship Pilot Project has successfully engaged new people because of the commitment of our Launch Team to live as pioneers, servants and missionaries.

- 4 people have joined FBC through the Logos worship venue in the past 3 weeks—2 of those new members are adults publically declaring their faith in Jesus through baptism
- Beginning January 22, the Logos worship venue will incorporate a time of singing and praise in response to the teaching from God's Word.

We will now be asking for 100-150 FBCSA members to commit to the Logos worship venue beginning January 22 and to live as a pioneer, servant and missionary. If you are interested, go to [fbcsa.org/logos](http://fbcsa.org/logos) and plan to attend one of the upcoming Volunteer Orientation Meetings.

## Pardon Our Progress!

Monument Signage Project Update 11/27/11:

The sidewalks and curbs look great. The concrete has been poured and the brick mason has begun work on the brick columns. The new signs and fencing will give our church a recognizable entry for the church campus. We are grateful for the new Building Fund and each contribution that has and will continue to help the church be good stewards of our church facilities.
