International Ministries Need - Transportation

With the large number of Burmese Refugees that do not have their own cars, we have a growing need for people to provide transportation on three different levels. No special skills are needed other than just getting the people or donations from where they are to where they need to be.

1. Bus transportation – 72 passenger and 22 passenger
2. Donation pick up – the church has a pick up that can be reserved for use
3. Health care – daytime, weekday appointments

For details and to discuss how you can best serve, contact Rita Schuetze or Wayne Williams in the church office (210) 226-0363.
