Table Project - FBCSA's Private Social Network JOIN TODAY!!!

Church doesn't end just because the worship service is over. "Church" is the body of Christ seeking God's kingdom, not just an event on Sunday morning. Prayer, service, study and fellowship are important aspects of faith that shouldn't be restricted to the hour we sit in a pew. That's what the Table is all about. It's a private social network, just for our church, that enables us to connect 24/7, not just on Sunday. To sign up or for video tutorials go to fbcsa.org/thetableproject

Daylight Saving Time

Don't forget to "Spring" forward next Sunday, March 10.

Easter Resurrection Celebration Sunday, March 31

Easter is a day for celebration! The truth of the resurrection has enough power to transform life - from despair to hope, from defeat to confidence. "For the trumpet will sound and the dead will be raised imperishable, and we shall be changed," shouts the Bible with clear-eyed vision of a positive future for those in Christ! (1 Corinthians 15:52)

Pardon Our Dust!

Over the next few weeks you will begin to see some construction in the Sanctuary balcony to enlarge the media booth. This is the first phase of several planned upgrades to the Sanctuary's multimedia capabilities. Once the media booth portion has been completed, upgrades to the lighting in the Sanctuary, as well as the dimming system will begin to occur over the next few months. The current dimming system is from 1964 and is extremely antiquated by today's standards and long overdue for replacement. These upgrades are being made possible through a generous and designated private donation. Therefore, this project will not affect the Building Fund in any way. We rejoice in this blessing!

Christianity Explored Deaf Class Praise

Today I received a text message from Norfie on what God is doing in the new Deaf CE class. Here is the quote; "just wanted to tell you yesterday we had a luncheon which several deaf attended and one of the deaf ladies that attends on Tuesday for CE was telling them how clear the Bible is becoming by seeing the DVD and then answering the questions; it was a blessing watching her encourage other deaf to attend."

Also, I met Krystal Mooney, the CE leader and signer, in the hall yesterday and she told me the class is growing in numbers as one tells another about the class. She says that they are going slowly and answering all the questions that the students have. I encouraged her to go slowly and that there is no hurry to finish in 10 weeks. As it states in Eph. 1, "to the praise of HIS glory and grace." Cheers! Dan

March is International Emphasis Month

God has presented First Baptist Church with an amazing opportunity to help those in need by providing refugee support to individuals seeking a better life by demonstrating Christ's love through mentoring, medical and dental care, job placement and guiding as necessary to social services

The Adult Basic Learning Enrichment (A.B.L.E.) Ministry uses small groups to help those unfamiliar with our language, culture, and education system to speak, understand, read and write English. A.B.L.E. also helps to prepare individuals for U.S. citizenship and move them toward obtaining a GED.

The Friendship Ministry teaches English, culture, ELS reading, writing, cooking, sewing, and healthy living in a Christian way.

If God is calling you to serve in the Yes, Lord! International Team Ministry contact Wayne Williams at wayne@fbcsa.org. Watch this spot for additional ministry opportunities all this month.
