CHURCH CONFERENCE: PASTOR'S REPORT

Church Conference was held 8/3/2014

Pastor Don Guthrie reported that parking is being reviewed for Church needs and Youth funding opportunities. These are amazing days and we give thanks for Tobin, a unified Church, the highest worship attendance ever, visitors, staff, talented lay leaders, the TV ministry, new ideas, his seven years of life after cancer, and that God still uses Church life for His purposes.

Coming August 24th Next Gen Sunday School Promotion and Resource Center Launch!

August 24 marks a significant day for our NEXTGEN Ministries (birth thru 12th grade). We are beginning several new ways to partner with parents and families to make each home a place of spiritual health and strength. As school begins, we will promote to new classes and departments on that Sunday. Stay tuned for exciting news from our Kids Ministry unveiling new locations, new curriculum, and new strategies for growth and participation. See the side panel for upcoming Youth Ministry activities to kick-off the new school year.

Currently under design and construction will be a new "NEXTGEN Resource Center" in the Webb Hall Foyer. This space will provide helpful and strategic materials for parents, grandparents, mentors, and guardians as they engage in the spiritual growth and development of their children. There will be pamphlets, podcasts, books and other resources available to equip and encourage families in various stages of the parenting journey- from "pre-birth" to "older teens". Most resources will be free. All of the printed and recorded items will be available to download online through our church website soon.
