### INTERNATIONAL NEEDS:

**DRIVERS NEEDED!**  
One of the continuing challenges in the ministry among Internationals is the problem of transportation. We have families scattered among six major apartment complexes around San Antonio. Every Sunday morning we run two vans and buses, most taking two trips picking up people. Our Sunday morning riders number between 150 and 175. We need two or more volunteers with CDL licenses (Ages 25-70) to join our group. If we had four available drivers, a person would only have to drive once a month. Pray about it and see if God would have you involved in this ministry. Please contact Htoo Aye at the church office 210.226.0363

**BARNABAS INITIATIVE**  
"Treat the foreigner residing among you as your native-born and love them as yourself..."  
(Leviticus 19:34)

You have what others need!  
Barnabas Initiative provides relevant opportunities and training for you to share with them. Think and pray about these possibilities:  
• Read mail and fill forms (Scheduled program in place)  
• Teach valuable life skills (Curriculum and training provided)  
• Lead a trauma counsel small group (Materials and training provided)  
• Distribute Home Management Video (Materials and training provided)

Your common knowledge and ability to read and write English can make an essential and uncommon difference in a refugee's life.
